Preparation NOT classified as dangerous containing no flammable substances and no dangerous substances SDS-07/CEPE

---

## SAFETY DATA SHEET N°7

Revision date : 03.11.08

### 1. IDENTIFICATION OF THE PREPARATION AND COMPANY.

Product Name and/or Code : DARWI SOFTY

Intended use : Hobby & schools

Name, full address and telephone number of company : The Clay and Paint Factory SA (TCPF)  
Rue du Dossay, 3  
B-4020 WANDRE

Emergency telephone number of the company : + 32 4 362 19 90  
and/or of official advisory body : + 32 70 245 245

---

### 2. COMPOSITION / INFORMATION ON INGREDIENTS.

This preparation does not contain any substances presenting a health or environmental hazard within the meaning of the Dangerous Substances Directive 67/548/EEC.

---

### 3. HAZARDS IDENTIFICATION OF THE PREPARATION.

This preparation is not classified as dangerous according to the Decree of 21/02/1990.

---

### 4. FIRST AID MEASURES.

#### General :

In all cases of doubt, or when symptoms persist, seek medical attention.

Never give anything by mouth to an unconscious person.

#### Inhalation :

Remove to fresh air, keep patient warm and at rest, if breathing is irregular or stopped, administer artificial respiration. Give nothing by mouth. If unconscious place in recovery position and seek medical advice.

#### Eye contact :

Remove contact lenses, irrigate copiously with clean, fresh water for at least 10 minutes, holding the eyelids apart and seek medical advice.

#### Skin contact :

Remove contaminated clothing. Wash skin thoroughly with soap and water or use recognised skin cleanser. Do NOT use solvents or thinners.

#### Ingestion :

If accidentally swallowed obtain immediate medical attention. Keep at rest. Do NOT induce vomiting.

---

### 5. FIRE-FIGHTING MEASURES.

**Extinguishing Media** : recommended : alcohol resistant foam, CO<sub>2</sub>, powders, water spray

---

**Preparation NOT classified as dangerous containing no flammable substances and no dangerous substances SDS-07/CEPE**

---

not to be used : waterjet.

**Recommendations :** Fire will produce dense black smoke. Exposure to decomposition products may cause a health hazard. Appropriate breathing apparatus may be required. Cool closed containers exposed to fire with water. Do not allow run-off from fire fighting to enter drains or water courses.

---

## **6. ACCIDENTAL RELEASE MEASURES.**

Avoid breathing vapours. Refer to protective measures listed in sections 7 and 8. Contain and collect spillage with non-combustible absorbent materials, e.g. sand, earth, vermiculite, diatomaceous earth and place in container for disposal according to local regulations (see section 13). Do not allow to enter drains or watercourses.

Clean preferably with a detergent; avoid use of solvents.

If the product contaminates lakes, rivers or sewers, inform appropriate authorities in accordance with local regulations.

---

## **7. HANDLING AND STORAGE.**

### **Handling.**

Keep container tightly closed.

Avoid skin and eye contact. Avoid inhalation of vapour and spray mist.

Smoking, eating and drinking should be prohibited in application area.

For personal protection see Section 8.

Never use pressure to empty : container is not a pressure vessel.

Always keep in containers of same material as the original one.

Comply with the health and safety at work laws.

### **Storage.**

Store in accordance with local rules & regulations

Store between ..5. and .30..°C in a dry, well ventilated place.

Keep away from oxidising agents, from strongly alkaline and strongly acid materials.

No smoking. Prevent unauthorized access. Containers which are opened must be carefully resealed and kept upright to prevent leakage.

---

## **8. EXPOSURE CONTROLS / PERSONAL PROTECTION.**

### **Engineering Measures.**

Provide adequate ventilation. Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction.

### **Exposure Limits.**

Not applicable

### **Personal Protection.**

Respiratory protection : not applicable

### **Hand protection :**

For prolonged or repeated contact, use, ,gloves.....

---

**Preparation NOT classified as dangerous containing no flammable substances and no dangerous substances SDS-07/CEPE**

---

Barrier creams may help to protect the exposed areas of the skin, they should however not be applied once exposure has occurred.

**Eye protection :**

Use safety eyewear designed to protect against splash of liquids.

---

**9. PHYSICAL AND CHEMICAL PROPERTIES.**

physical state : Paste  
flash point : 242°C  
viscosity : No engineering test  
specific gravity : 1,07 – 1.10 picnometer  
vapour density : .../..... or .../..... than air : none  
lower explosion limit : .../..... : none  
solubility in water : insoluble

---

**10. STABILITY AND REACTIVITY.**

Stable under recommended storage and handling conditions (see section 7). When exposed to high temperatures may produce hazardous decomposition products such as carbon monoxide and dioxide, smoke, oxides of nitrogen.

Keep away from oxidising agents, strongly alkaline and strongly acid materials in order to avoid exothermic reactions.

---

**11. TOXICOLOGICAL INFORMATION.**

There are no data available on the preparation itself. The preparation has been assessed following the conventional method of the Dangerous Preparations Directive 1999/45/EC and not classified.

Repeated or prolonged contact with the preparation may cause removal of natural fat from the skin resulting in non-allergic contact dermatitis and absorption through the skin.

The liquid splashed in the eyes may cause irritation and reversible damage.

---

**12. ECOLOGICAL INFORMATION.**

There are no data available on the preparation itself.

The product should not be allowed to enter drains or water courses.

---

**13. DISPOSAL CONSIDERATIONS.**

Do not allow into drains or water courses.

Wastes and emptied containers should be either recycled or eliminated in accordance with local rules & regulations.

---

**14. TRANSPORT INFORMATION.**

This preparation is not classified as dangerous according to international transport regulations, (ADR/RID, IMDG, ICAO/IATA).

---

---

**Preparation NOT classified as dangerous containing no flammable substances and no dangerous substances SDS-07/CEPE**

---

---

**15. REGULATORY INFORMATION.**

This preparation is not classified as dangerous according to EC Directive 1999/45/EC.

---

**16. OTHER INFORMATION.**

The information in this safety data sheet is required pursuant to directive 2001/58/CE and according to european standards 71/3.

Date of issue : 03.11.08

---

The information of this SDS is based on the present state of our knowledge and on current EU and national laws. The product is not to be used for other purposes than those specified under section 1 without first obtaining written handling instruction. It is always the responsibility of the user to take all necessary steps in order to fulfil the demand laid down in the local rules and legislation. The information in this SDS is meant as a description of the safety requirements of our product : it is not to be considered as a guarantee of the products' properties.
