

DESIGNS, TOOLS AND PAINTING SURFACES
The right equipment for any idea!

ART CRAYON

Soft, water-soluble wax crayons for wet and dry techniques! Highly pigmented, vivid and light-fast. Soft blending for intensive colour transitions and watercolour effects.

ACRYL COLOR

The all-rounder: Creamy acrylic paint for a variety of applications! Paints, pastes, gels and gesso. Layer by layer to a mixed media work of art.

ACRYL MOUSSE

Texture effects in pastel colours! Lightweight acrylic paste, water-based with a light chalk character. For application with paint knife or brush, ideal for stencilling.

ART PAINTER

Universal acrylic marker: for writing, embellishing and painting! High-quality valve system for an even flow of paint and rich paint application.

ART SPRAY

Brilliant acrylic spray for a variety of applications and techniques! For porous, light-coloured surfaces. Suitable for diluting with water and for blending, quick drying, light-fast, water-resistant.

Mixed Media

Artistic creativity is not governed by any rules. It is the expression of our emotions, our imagination and our creativity. Marabu has created a concept for a product range which unites all these properties under one name - Marabu Mixed Media.

ART SPRAY

Draw a portrait step by step! The new watercolour technique with Marabu Art Sprays creates subtle shades on any canvas.

ART PAINTER

Patterns, lines and writing with the Marabu Art Painter! Layer by layer to a unique art journaling page.

ACRYL MOUSSE

Impress with great texture effects on canvas. Whether freehand application with a paint knife or textured stencilling - so simple with Marabu Acryl Mousse.

ACRYL COLOR

"She Art" in the trendy Manga style! Collages, stencilling, free-hand painting and embellishing. Marabu acrylic paints, sprays and markers make individual, very special works of art possible.

ART CRAYON

Central Park in your own home! This attractive landscape created with the new wipe technology is a delight not only for nature lovers.
